The use by Baloise of any MSCI ESG research LLC or its affiliates ("MSCI") data, and the use of MSCI logos, trademarks, service marks or index names herein, do not constitute a sponsorship, endorsement, recommendation, or promotion of Baloise by MSCI. MSCI services and data are the property of MSCI or its information providers, and are provided 'as-is' and without warranty. MSCI names and logos are trademarks or service marks of MSCI.

**20.8 Medium Risk**  
Subindustry Diversified Insurance Services Positioning 20 out of 70

The assessment of a company's sustainability performance is based on approximately 100 criteria, selected specifically for each industry. A company's failure to disclose, or lack of transparency, regarding these matters will impact a company's rating negatively

## Your CDP score

## Average performance

Financial services Europe Global Average

Baloise was included in the SXI Switzerland Sustainability 25 (SSUSTX) sustainability index in September 2022. This measures the performance of the 25 Swiss companies that achieve the highest sustainability rating according to the criteria of Inrate's ESG Impact Rating.
